

TOWN OF CAMPTON STREET NUMBERING SYSTEM ORDINANCE

Section 1.

PURPOSE:

- 1. To identify the locations and names of all streets and roads.**
- 2. To establish a uniform method numbering primary buildings on previously unnumbered streets and roads.**
- 3. To promote efficiency in locating primary buildings.**
- 4. To provide more expedient emergency response.**
- 5. To provide a consistent system for mailing addresses.**

Section II.

PARTIES AFFECTED:

All primary buildings within the boundaries of the Town of Campton which do not have clearly established and/or displayed street numbers shall hereafter be identified according to the uniform street numbering system as herein contained as adopted or amended by the Board of Selectmen pursuant to their authority as outlined in RSA 231:133-a.

Section III.

NUMBERING SYSTEM

A uniform street numbering system has been developed for all primary buildings based upon the following process:

- A. For purposes of establishing street numbers, a street shall be considered any access way, whether public or private, which serves two or more primary buildings or vacant lots.**
- B. All primary buildings on the left side of a street beginning at its starting point will have odd numbers.**

number shall be conspicuously displayed on that side of the building which faces the street.

2. For primary buildings not readily visible from the street, the assigned street number (s) shall be conspicuously displayed at the main vehicular (or pedestrian if no vehicular access exists) access to the property, so as to be visible on a year-round basis. The preferred method of display at the main vehicular or pedestrian access shall be on both sides of a mailbox according to Postal guidelines. However, if a mailbox is not located at the main access or there is no mailbox, a sign post or similar means at the main access.

- C. All displayed street numbers shall be of a contrasting color to the means of support such as the primary building, mailbox, post, etc.
- D. All displayed street numbers shall be at least three and one half (3 1/2) inches in height. The size of numbers placed on mailboxes shall be in accordance with U.S. Postal Service requirements

Section V:

NEW BUILDINGS AND SUBDIVISIONS

- A. Whenever a primary building is erected or located in the Town of Campton, the assigned street number shall be affixed in the appropriate location as provided for by this ordinance.
- B. Every subdivision or site plan submitted to the Planning Board for approval shall show an assigned street number for each primary building as applicable.
- C. In all cases, local postal officials, Selectmen's (assessing) Office, Police and Fire Departments and Planning/Zoning Office shall be advised of new assigned street numbers.
