

Service Request: Homeowner

The screenshot displays the townsq web application interface. On the left, a navigation sidebar is visible with categories: COMMUNICATIONS (Home, Residents, News & Events, Requests, Messages, Forum, Polls), OPERATIONS (Package control, Access Control, Access Control, Authorizations), and TOOLS (Reservations, Documents). The 'Requests' item is highlighted with a red border. A callout box with a green background and white text contains the number '1' and the text 'Select Requests'. The main content area shows the townsq logo, a user profile for George Cooper (Hillwood Demonstration), and a search bar with the placeholder text 'What do you want to do?'. Below the search bar, there are sections for 'Your Community' and 'Inbox'. The 'Your Community' section includes a poll titled 'Which date would you be able to attend our Summer Picnic?' by Lisa BoardMember, and another poll titled 'Barn Color' by KTM Novi Promoter Boardmember. The 'Inbox' section shows two assignment cards: 'Dog Park' (In Progress) and 'Cluhouse' (Late), both with 'Comment' links.

Service Request: Homeowner

The screenshot displays the townsq user interface. At the top left is the townsq logo. At the top right, the user profile for John Doe (Hillwood Demonstration) is shown. A left-hand navigation menu includes 'Categories' (with sub-items: All, Architectural Application, Architectural Review, Car request, General, Landscape, Maintenance, Pet Request, Security, Work Order, Work Orders - Landscape) and 'Filter By' (with sub-items: All, Pending, Open). The main content area is titled 'Requests/ Pending' and contains a search bar, a table of requests, and an 'Open request' button. The table has columns for 'TOPICS' and 'OPENED BY'. A callout box with a green circle containing the number '2' and the text 'Click Open request' points to the 'Open request' button.
