Q ***There are 10 people in the group, how do they all get in the Community Center?***

A One Guest Pass can admit the 9 additional guests with purchase of Day Passes for each. It would take at minimum of 2 vouchers from the Voucher Card to admit 2 guests at no charge, and the 8 additional guest can purchase Day Passes. Only 4 additional Day Passes can be purchased per voucher, so you'll have to use 2 vouchers. You could use more vouchers for free admission for more guests in the group.

[It's important to inform your guests to only use as many vouchers as you wish, and purchase Day Passes for additional group members.](#)
