FAQ

Q ***How do I acquire a card of Guest Pass Vouchers?***

A In the same manner as your Adult Picture Passes. Complete the Membership Pass Renewal Form, enter "voucher card" under the Name field and "Guest" under the Relationship field.

Q ***I have 6 family members with Adult Picture Passes, can I still get a Guest Pass Voucher card?***

A No, the Guest Pass Voucher card is instead of an Adult Picture Pass. You can only acquire a combination of Adult Picture Passes and Guest Pass Voucher cards totaling 6 (*see examples below*).

Q ***What does a card of Guest Pass Vouchers look like?***

A It's a plastic card that will consist of 6 connected sequential serialized voucher tickets assigned to the owners account. Each voucher can only be used once. Any duplicates or reuse will fail at Front Desk checkin.

Q ***Where do I pick-up my Guest Pass Voucher card?***

A You'll need to pick-up your card at the Front Desk.

Q ***I lost my Guest Pass Voucher card, can it be replaced?***

A Yes, you'll need to request a replacement card at the Front Desk. Your remaining unused vouchers in the lost card will be cancelled and new vouchers issued. A \$25 processing fee will be required for each replaced card.

Q ***Can I get more than 1 card of Guest Pass Vouchers?***

A Sorry, only 1 card with 6 vouchers per residence per membership year.

Q ***Do the Guest Pass Vouchers expire?***

A Yes, they are only good for the membership year of purchase, July 1 to June 30, like all other passes.

Q ***There are 10 people in the group, how do they all get in the Community Center?***

A There are multiple ways to do this, depending on how many group members are to gain entry at no cost.

(1) At minimum, the group would use 2 vouchers from the card to admit 2 guests at no charge, and each additional guest can pay the daily fee for up to 4 extra guests per voucher (see *Day Pass fees below*). Only 4 additional people can be admitted per voucher, so you'll have to use 2 vouchers.

(2) Six of the 10 guests can use all 6 vouchers on the card and 4 guests will need to purchase Day Passes to gain entry for their party of 10. The card would then be empty.

It's important to inform your guests to only use as many vouchers as you wish, and purchase Day Passes for additional group members.
