

Waterville Estates Trail Committee

March 19, 2019

Seeking volunteers to assist with trail concept ideas and trail development, building and ongoing maintenance of the estate's trail system

Purpose of the trail committee and its volunteers:

- Improve existing network of trails for walking, trail running, hiking, snow shoeing, cross country skiing, and mountain biking
- Manage use of all trails for the benefit of estate property owners and their guests
- Enlist as many volunteers as possible to assign and spread the work required to improve conditions and maintain our network of trails
- Conduct trail work days for volunteers using appropriate trail maintenance and construction methods
- Enhance trail markings, signage and connectivity of existing and new trails
- Develop friendly looping trails within the estates near parking access that will enhance the experience for users of all ages and interests.
- ***Add a low/no cost benefit to homeownership in the estates***

If interested participating in this effort, please contact one of the below Trail Committee members
